

The 1,000 Noetic Fractals

Complete Three-Digit Mind-Idea Dynamics

The 8 Mind-Idea Dynamics (Noetics 1-9, with 0/10 as Idea itself)

Noetic	Dynamic
0/10 - Idea	The thing itself
1 - Mind	Awareness present, no action—just witnessing
2 - Positive	Mind pulled toward Idea—can't not think about it
3 - Negative	Mind pushed from Idea—can't fathom it
4 - Vibration	Degree of impression—how deeply Idea lands
5 - Female	Mind shaped by Ideas—what you're made of
6 - Male	Idea shaped by Ideas—what the idea is made of
7 - Rhythm	Temporal pattern of Mind-Idea contact
8 - Above	Idea triggers different Idea
9 - Below	Idea triggered by different Idea

Section 0: Idea as Primary

0.0.X — Idea containing Idea containing...

Fractal	Dynamic	Example
0.0.0	Pure idea	"A thing, simply"
0.0.1	Idea of idea witnessed	"A concept being observed"
0.0.2	Idea of idea wanted	"A concept being desired"
0.0.3	Idea of idea rejected	"A concept being refused"
0.0.4	Idea of idea resonating	"A concept landing"
0.0.5	Idea of idea received	"A concept imprinting on mind"
0.0.6	Idea of idea composed	"A concept structured from others"
0.0.7	Idea of idea in rhythm	"A concept in pattern"
0.0.8	Idea of idea triggering	"A concept pointing beyond"
0.0.9	Idea of idea triggered	"A concept that was pointed to"

0.1.X — Idea containing Mind containing...

Fractal	Dynamic	Example
0.1.0	Self-aware idea	"A concept that knows itself"
0.1.1	Idea with recursive awareness	"Awareness watching itself within a concept"
0.1.2	Idea aware of its appeal	"A concept noticing it attracts"
0.1.3	Idea aware of its repulsion	"A concept noticing it repels"
0.1.4	Idea aware of its weight	"A concept noticing its impact"
0.1.5	Idea aware of what receives it	"A concept sensing its host"
0.1.6	Idea aware of its structure	"A concept examining its parts"
0.1.7	Idea aware of its timing	"A concept sensing its rhythm"
0.1.8	Idea aware of what it triggers	"A concept knowing its effects"
0.1.9	Idea aware of what triggered it	"A concept knowing its cause"

0.2.X — Idea containing Positive containing...

Fractal	Dynamic	Example
0.2.0	Inherently attractive idea	"A concept with built-in want"
0.2.1	Attractive idea consuming awareness	"A compelling concept that hijacks attention"
0.2.2	Attractive idea attracting more	"Desire breeding desire"
0.2.3	Attractive idea containing aversion	"A wanted thing with a repellent core"
0.2.4	Attractive idea with depth	"A compelling concept that sinks in"

0.2.5	Attractive idea shaping mind	"A wanted thing that reforms you"
0.2.6	Attractive idea's composition	"What makes the wanted thing wanted"
0.2.7	Attractive idea in rhythm	"Desire on a schedule"
0.2.8	Attractive idea triggering	"A wanted thing pointing elsewhere"
0.2.9	Attractive idea triggered	"A wanted thing surfaced by another"

0.3.X — Idea containing Negative containing...

Fractal	Dynamic	Example
0.3.0	Inherently repulsive idea	"A concept with built-in rejection"
0.3.1	Repulsive idea consuming awareness	"An unbearable concept you can't stop seeing"
0.3.2	Repulsive idea containing attraction	"A rejected thing with hidden appeal"
0.3.3	Repulsive idea compounding	"Rejection breeding rejection"
0.3.4	Repulsive idea with depth	"A rejection that sinks in"
0.3.5	Repulsive idea shaping mind	"A refused thing that still forms you"
0.3.6	Repulsive idea's composition	"What makes the rejected thing rejected"
0.3.7	Repulsive idea in rhythm	"Aversion on a schedule"
0.3.8	Repulsive idea triggering	"A rejected thing pointing elsewhere"
0.3.9	Repulsive idea triggered	"A rejected thing surfaced by another"

0.4.X — Idea containing Vibration containing...

Fractal	Dynamic	Example
0.4.0	Idea with inherent weight	"A concept that lands by nature"
0.4.1	Heavy idea producing awareness	"Impact so strong it wakes you"
0.4.2	Heavy idea producing attraction	"Depth creating desire"
0.4.3	Heavy idea producing aversion	"Depth creating rejection"
0.4.4	Idea with compounding depth	"Resonance deepening resonance"
0.4.5	Heavy idea shaping mind	"Weight that reforms you"
0.4.6	Heavy idea's composition	"What makes it land so hard"
0.4.7	Heavy idea in rhythm	"Periodic impact"
0.4.8	Heavy idea triggering	"Weight pointing elsewhere"
0.4.9	Heavy idea triggered	"Weight surfaced by another"

0.5.X — Idea containing Female containing...

Fractal	Dynamic	Example
0.5.0	Idea shaped by what received it	"A concept colored by its host"

0.5.1	Idea carrying conditioned awareness	"A concept with learned seeing"
0.5.2	Idea carrying conditioned desire	"A concept with inherited want"
0.5.3	Idea carrying conditioned aversion	"A concept with inherited rejection"
0.5.4	Idea carrying conditioned depth	"A concept with inherited weight"
0.5.5	Idea carrying layered conditioning	"Formation upon formation"
0.5.6	Idea's conditioning shaped by structure	"Reception shaped by composition"
0.5.7	Idea carrying conditioned rhythm	"A concept with inherited timing"
0.5.8	Idea's conditioning as trigger	"What received it now sets things off"
0.5.9	Idea's conditioning as effect	"Reception that was triggered"

0.6.X — Idea containing Male containing...

Fractal	Dynamic	Example
0.6.0	Idea defined by its parts	"A concept as structure"
0.6.1	Idea whose structure contains awareness	"A composition with witness inside"
0.6.2	Idea whose structure contains attraction	"A composition with desire inside"
0.6.3	Idea whose structure contains aversion	"A composition with rejection inside"
0.6.4	Idea whose structure has depth	"A deeply layered composition"
0.6.5	Idea whose structure reflects its host	"A composition shaped by what held it"
0.6.6	Idea with recursive structure	"Structure within structure"
0.6.7	Idea whose structure has rhythm	"A composition with internal timing"
0.6.8	Idea whose structure triggers	"A composition pointing beyond itself"
0.6.9	Idea whose structure was triggered	"A composition called forth"

0.7.X — Idea containing Rhythm containing...

Fractal	Dynamic	Example
0.7.0	Idea with inherent timing	"A concept with its own pulse"
0.7.1	Idea's rhythm containing awareness	"Timed noticing"
0.7.2	Idea's rhythm containing attraction	"Timed wanting"
0.7.3	Idea's rhythm containing aversion	"Timed rejection"
0.7.4	Idea's rhythm containing depth	"Timed resonance"
0.7.5	Idea's rhythm containing conditioning	"Timed formation"
0.7.6	Idea's rhythm containing structure	"Timed composition"
0.7.7	Idea with recursive rhythm	"Pattern within pattern"
0.7.8	Idea's rhythm triggering	"The timing sets things off"
0.7.9	Idea's rhythm triggered	"The timing was set off"

0.8.X — Idea containing Above containing...

Fractal	Dynamic	Example
0.8.0	Idea that points elsewhere	"A concept as doorway"
0.8.1	Triggering idea containing awareness	"A pointer that is witnessed"
0.8.2	Triggering idea containing attraction	"A pointer you're drawn to follow"
0.8.3	Triggering idea containing aversion	"A pointer you resist following"
0.8.4	Triggering idea with depth	"A pointer that lands hard"
0.8.5	Triggering idea shaped by reception	"A pointer colored by who follows it"
0.8.6	Triggering idea's structure	"What the pointer is made of"
0.8.7	Triggering idea in rhythm	"Pointing on a schedule"
0.8.8	Triggering idea triggering triggers	"Cascade initiation"
0.8.9	Triggering idea producing effect	"Pointer reaching its target"

0.9.X — Idea containing Below containing...

Fractal	Dynamic	Example
0.9.0	Idea that was pointed to	"A concept as destination"
0.9.1	Triggered idea containing awareness	"A surfaced thing now witnessed"
0.9.2	Triggered idea containing attraction	"A surfaced thing now wanted"
0.9.3	Triggered idea containing aversion	"A surfaced thing now rejected"
0.9.4	Triggered idea with depth	"A surfaced thing that lands"
0.9.5	Triggered idea shaping mind	"A surfaced thing that reforms you"
0.9.6	Triggered idea's structure	"What the surfaced thing is made of"
0.9.7	Triggered idea in rhythm	"Surfacing on schedule"
0.9.8	Triggered idea becoming trigger	"Effect becoming cause"
0.9.9	Triggered idea triggering more	"Effect cascading"

Section 1: Mind as Primary

1.0.X — Mind containing Idea containing...

Fractal	Dynamic	Example
1.0.0	Awareness holding a thing	"I'm conscious of this"
1.0.1	Awareness of idea being witnessed	"I notice something being observed"
1.0.2	Awareness of idea being wanted	"I notice something being desired"
1.0.3	Awareness of idea being rejected	"I notice something being refused"
1.0.4	Awareness of idea resonating	"I notice something landing"
1.0.5	Awareness of idea imprinting	"I notice something taking hold"
1.0.6	Awareness of idea's structure	"I notice what it's made of"
1.0.7	Awareness of idea's timing	"I notice its rhythm"
1.0.8	Awareness of idea triggering	"I notice it pointing elsewhere"
1.0.9	Awareness of idea triggered	"I notice what surfaced"

1.1.X — Mind containing Mind containing...

Fractal	Dynamic	Example
1.1.0	Awareness of awareness holding something	"I notice myself noticing"
1.1.1	Recursive self-awareness	"Watching watching watching"
1.1.2	Awareness of awareness attracted	"I notice my attention drawn"
1.1.3	Awareness of awareness repelled	"I notice my attention resisting"
1.1.4	Awareness of awareness deepening	"I notice attention sinking in"
1.1.5	Awareness of conditioned awareness	"I notice my trained seeing"
1.1.6	Awareness of awareness's structure	"I notice how my attention is built"
1.1.7	Awareness of awareness's rhythm	"I notice when I notice"
1.1.8	Awareness of awareness triggering	"I notice my noticing sets things off"
1.1.9	Awareness of awareness triggered	"I notice what made me notice"

1.2.X — Mind containing Positive containing...

Fractal	Dynamic	Example
1.2.0	Awareness of attraction to a thing	"I notice I want this"
1.2.1	Awareness of attraction consuming attention	"I notice desire hijacking me"
1.2.2	Awareness of attraction breeding attraction	"I notice wanting making more wanting"

1.2.3	Awareness of attraction containing aversion	"I notice I want it but resist something in it"
1.2.4	Awareness of attraction's depth	"I notice how deep the wanting goes"
1.2.5	Awareness of conditioned attraction	"I notice I was trained to want this"
1.2.6	Awareness of what makes attraction	"I notice why I want this"
1.2.7	Awareness of attraction's rhythm	"I notice when the wanting comes"
1.2.8	Awareness of attraction triggering	"I notice my wanting sets things off"
1.2.9	Awareness of attraction triggered	"I notice what made me want"

1.3.X — Mind containing Negative containing...

Fractal	Dynamic	Example
1.3.0	Awareness of aversion to a thing	"I notice I reject this"
1.3.1	Awareness of aversion consuming attention	"I notice rejection hijacking me"
1.3.2	Awareness of aversion containing attraction	"I notice I reject it but want something in it"
1.3.3	Awareness of aversion breeding aversion	"I notice rejection making more rejection"
1.3.4	Awareness of aversion's depth	"I notice how deep the rejection goes"
1.3.5	Awareness of conditioned aversion	"I notice I was trained to reject this"
1.3.6	Awareness of what makes aversion	"I notice why I reject this"
1.3.7	Awareness of aversion's rhythm	"I notice when the rejection comes"
1.3.8	Awareness of aversion triggering	"I notice my rejection sets things off"
1.3.9	Awareness of aversion triggered	"I notice what made me reject"

1.4.X — Mind containing Vibration containing...

Fractal	Dynamic	Example
1.4.0	Awareness of resonance with a thing	"I notice how this lands"
1.4.1	Awareness of depth producing awareness	"I notice impact waking me up"
1.4.2	Awareness of depth producing attraction	"I notice resonance creating want"
1.4.3	Awareness of depth producing aversion	"I notice resonance creating rejection"
1.4.4	Awareness of deepening depth	"I notice resonance compounding"
1.4.5	Awareness of depth shaping mind	"I notice impact reforming me"
1.4.6	Awareness of what creates depth	"I notice why this lands so hard"
1.4.7	Awareness of depth's rhythm	"I notice when it hits"
1.4.8	Awareness of depth triggering	"I notice impact setting things off"
1.4.9	Awareness of depth triggered	"I notice what made it land"

1.5.X — Mind containing Female containing...

Fractal	Dynamic	Example
1.5.0	Awareness of one's conditioning	"I notice what I'm made of"
1.5.1	Awareness of conditioned awareness	"I notice how I was trained to see"
1.5.2	Awareness of conditioned attraction	"I notice what I was trained to want"
1.5.3	Awareness of conditioned aversion	"I notice what I was trained to reject"
1.5.4	Awareness of conditioning's depth	"I notice how deeply I'm formed"
1.5.5	Awareness of layered conditioning	"I notice formation upon formation"
1.5.6	Awareness of conditioning's source	"I notice what shaped my shaping"
1.5.7	Awareness of conditioning's rhythm	"I notice the pattern of my formation"
1.5.8	Awareness of conditioning triggering	"I notice my makeup setting things off"
1.5.9	Awareness of conditioning triggered	"I notice what activated my makeup"

1.6.X — Mind containing Male containing...

Fractal	Dynamic	Example
1.6.0	Awareness of an idea's composition	"I notice what this is made of"
1.6.1	Awareness of structure containing awareness	"I notice witness within the structure"
1.6.2	Awareness of structure containing attraction	"I notice appeal within the structure"
1.6.3	Awareness of structure containing aversion	"I notice rejection within the structure"
1.6.4	Awareness of structure's depth	"I notice how layered this is"
1.6.5	Awareness of structure shaped by conditioning	"I notice the structure reflects its origins"
1.6.6	Awareness of recursive structure	"I notice structure within structure"
1.6.7	Awareness of structure's rhythm	"I notice timing within the structure"
1.6.8	Awareness of structure triggering	"I notice the structure sets things off"
1.6.9	Awareness of structure triggered	"I notice what called the structure forth"

1.7.X — Mind containing Rhythm containing...

Fractal	Dynamic	Example
1.7.0	Awareness of a pattern	"I notice the timing"
1.7.1	Awareness of patterned awareness	"I notice when I notice"
1.7.2	Awareness of patterned attraction	"I notice when the wanting comes"
1.7.3	Awareness of patterned aversion	"I notice when the rejection comes"
1.7.4	Awareness of patterned depth	"I notice when it hits hardest"

1.7.5	Awareness of patterned conditioning	"I notice when my makeup activates"
1.7.6	Awareness of patterned structure	"I notice timing within composition"
1.7.7	Awareness of recursive pattern	"I notice pattern within pattern"
1.7.8	Awareness of pattern triggering	"I notice the rhythm sets things off"
1.7.9	Awareness of pattern triggered	"I notice what set the rhythm going"

1.8.X — Mind containing Above containing...

Fractal	Dynamic	Example
1.8.0	Awareness of a trigger	"I notice what set this off"
1.8.1	Awareness of trigger containing awareness	"I notice the trigger is witnessed"
1.8.2	Awareness of trigger containing attraction	"I notice I'm drawn to follow the trigger"
1.8.3	Awareness of trigger containing aversion	"I notice I resist following the trigger"
1.8.4	Awareness of trigger's depth	"I notice how hard the trigger hit"
1.8.5	Awareness of trigger shaped by conditioning	"I notice my makeup colored the trigger"
1.8.6	Awareness of trigger's structure	"I notice what the trigger is made of"
1.8.7	Awareness of trigger's rhythm	"I notice the trigger's timing"
1.8.8	Awareness of trigger triggering triggers	"I notice the cascade beginning"
1.8.9	Awareness of trigger producing effect	"I notice the trigger reaching its target"

1.9.X — Mind containing Below containing...

Fractal	Dynamic	Example
1.9.0	Awareness of what surfaced	"I notice what came up"
1.9.1	Awareness of surfaced awareness	"I notice attention that was triggered"
1.9.2	Awareness of surfaced attraction	"I notice desire that was triggered"
1.9.3	Awareness of surfaced aversion	"I notice rejection that was triggered"
1.9.4	Awareness of surfaced depth	"I notice resonance that was triggered"
1.9.5	Awareness of surfaced conditioning	"I notice formation that was triggered"
1.9.6	Awareness of surfaced structure	"I notice composition that was triggered"
1.9.7	Awareness of surfaced rhythm	"I notice pattern that was triggered"
1.9.8	Awareness of effect becoming trigger	"I notice what surfaced now sets things off"
1.9.9	Awareness of cascading effects	"I notice the chain reaction"

Section 2: Positive as Primary

2.0.X — Positive containing Idea containing...

Fractal	Dynamic	Example
2.0.0	Attraction to a thing	"I want this"
2.0.1	Attraction to idea being witnessed	"I want to see this"
2.0.2	Attraction to idea being wanted	"I want the wanting"
2.0.3	Attraction to idea being rejected	"I want to refuse this"
2.0.4	Attraction to idea resonating	"I want this to land"
2.0.5	Attraction to idea imprinting	"I want this to take hold"
2.0.6	Attraction to idea's structure	"I want what it's made of"
2.0.7	Attraction to idea's timing	"I want its rhythm"
2.0.8	Attraction to idea triggering	"I want it to point elsewhere"
2.0.9	Attraction to idea triggered	"I want what surfaced"

2.1.X — Positive containing Mind containing...

Fractal	Dynamic	Example
2.1.0	Attraction consuming awareness	"Wanting hijacks my attention"
2.1.1	Attraction consuming recursive awareness	"I can't stop watching myself want"
2.1.2	Attraction consuming attracted awareness	"Wanting pulls my wanting attention"
2.1.3	Attraction consuming resistant awareness	"Wanting overpowers my resistance to notice"
2.1.4	Attraction consuming deepened awareness	"Wanting saturates heightened attention"
2.1.5	Attraction consuming conditioned awareness	"Wanting hijacks my trained seeing"
2.1.6	Attraction consuming structured awareness	"Wanting hijacks how I'm built to see"
2.1.7	Attraction consuming rhythmic awareness	"Wanting hijacks when I notice"
2.1.8	Attraction consuming triggered awareness	"Wanting hijacks what woke me"
2.1.9	Attraction consuming surfaced awareness	"Wanting hijacks the attention that came up"

2.2.X — Positive containing Positive containing...

Fractal	Dynamic	Example
---------	---------	---------

2.2.0	Attraction to attraction	"I want to want"
2.2.1	Attraction to attraction consuming awareness	"I want obsession"
2.2.2	Recursive attraction	"Wanting wanting wanting"
2.2.3	Attraction to attraction containing aversion	"I want the conflicted desire"
2.2.4	Attraction to deep attraction	"I want to want deeply"
2.2.5	Attraction to conditioned attraction	"I want my inherited desires"
2.2.6	Attraction to attraction's structure	"I want what makes wanting"
2.2.7	Attraction to attraction's rhythm	"I want the cycle of wanting"
2.2.8	Attraction to attraction triggering	"I want desire that sets things off"
2.2.9	Attraction to triggered attraction	"I want the desire that was awakened"

2.3.X — Positive containing Negative containing...

Fractal	Dynamic	Example
2.3.0	Attraction containing aversion	"I want but something repels me"
2.3.1	Attraction with aversion consuming awareness	"I want but dread hijacks my attention"
2.3.2	Attraction with aversion containing attraction	"I want but reject something I also want"
2.3.3	Attraction with compounding aversion	"I want but rejection breeds more rejection"
2.3.4	Attraction with deep aversion	"I want but the rejection runs deep"
2.3.5	Attraction with conditioned aversion	"I want but I was trained to reject part of it"
2.3.6	Attraction with structured aversion	"I want but its composition repels me"
2.3.7	Attraction with rhythmic aversion	"I want but rejection comes in waves"
2.3.8	Attraction with aversion triggering	"I want but the rejection sets things off"
2.3.9	Attraction with triggered aversion	"I want but something surfaced rejection"

2.4.X — Positive containing Vibration containing...

Fractal	Dynamic	Example
2.4.0	Attraction with depth	"I want it and it's sinking in"
2.4.1	Attraction with depth producing awareness	"Wanting hit so hard I woke up"
2.4.2	Attraction with depth producing more attraction	"Wanting deepened into craving"
2.4.3	Attraction with depth producing aversion	"Wanting so deep it became repulsive"
2.4.4	Attraction with compounding depth	"Wanting getting heavier and heavier"
2.4.5	Attraction with depth shaping mind	"Wanting so deep it reformed me"
2.4.6	Attraction with depth's structure	"What makes this wanting land so hard"

2.4.7	Attraction with depth's rhythm	"Wanting hits hard on schedule"
2.4.8	Attraction with depth triggering	"Deep wanting sets things off"
2.4.9	Attraction with triggered depth	"The wanting that landed was called up"

2.5.X — Positive containing Female containing...

Fractal	Dynamic	Example
2.5.0	Attraction to one's conditioning	"I love what I'm made of"
2.5.1	Attraction to conditioned awareness	"I love how I was trained to see"
2.5.2	Attraction to conditioned attraction	"I love what I was trained to want"
2.5.3	Attraction to conditioned aversion	"I love what I was trained to reject"
2.5.4	Attraction to conditioning's depth	"I love how deeply I'm formed"
2.5.5	Attraction to layered conditioning	"I love formation upon formation in me"
2.5.6	Attraction to conditioning's source	"I love what shaped my shaping"
2.5.7	Attraction to conditioning's rhythm	"I love the pattern of my formation"
2.5.8	Attraction to conditioning triggering	"I love that my makeup sets things off"
2.5.9	Attraction to triggered conditioning	"I love the formation that was awakened"

2.6.X — Positive containing Male containing...

Fractal	Dynamic	Example
2.6.0	Attraction to composition	"I'm drawn to what it's made of"
2.6.1	Attraction to structure containing awareness	"I'm drawn to witness within the structure"
2.6.2	Attraction to structure containing attraction	"I'm drawn to appeal within the structure"
2.6.3	Attraction to structure containing aversion	"I'm drawn to rejection within the structure"
2.6.4	Attraction to structure's depth	"I'm drawn to how layered this is"
2.6.5	Attraction to structure shaped by conditioning	"I'm drawn to how origins shaped it"
2.6.6	Attraction to recursive structure	"I'm drawn to structure within structure"
2.6.7	Attraction to structure's rhythm	"I'm drawn to timing within composition"
2.6.8	Attraction to structure triggering	"I'm drawn to how its parts set things off"
2.6.9	Attraction to triggered structure	"I'm drawn to composition that was called forth"

2.7.X — Positive containing Rhythm containing...

Fractal	Dynamic	Example
---------	---------	---------

2.7.0	Attraction with rhythm	"I keep wanting on schedule"
2.7.1	Attraction with patterned awareness	"Wanting comes when I notice"
2.7.2	Attraction with patterned attraction	"Wanting breeds wanting on schedule"
2.7.3	Attraction with patterned aversion	"Wanting cycles with rejection"
2.7.4	Attraction with patterned depth	"Wanting hits hard on rhythm"
2.7.5	Attraction with patterned conditioning	"Wanting activates my makeup on schedule"
2.7.6	Attraction with patterned structure	"Wanting follows compositional timing"
2.7.7	Attraction with recursive rhythm	"Wanting in pattern within pattern"
2.7.8	Attraction with rhythm triggering	"Wanting's schedule sets things off"
2.7.9	Attraction with triggered rhythm	"Wanting's pattern was set going"

2.8.X — Positive containing Above containing...

Fractal	Dynamic	Example
2.8.0	Attraction as trigger	"My wanting sets things off"
2.8.1	Attraction triggering awareness	"My wanting wakes something"
2.8.2	Attraction triggering more attraction	"My wanting makes me want more"
2.8.3	Attraction triggering aversion	"My wanting produces rejection"
2.8.4	Attraction triggering depth	"My wanting makes things land"
2.8.5	Attraction triggering conditioning	"My wanting activates my makeup"
2.8.6	Attraction triggering structure	"My wanting calls forth composition"
2.8.7	Attraction triggering rhythm	"My wanting sets a pattern going"
2.8.8	Attraction triggering triggers	"My wanting starts the cascade"
2.8.9	Attraction triggering effect	"My wanting reaches its target"

2.9.X — Positive containing Below containing...

Fractal	Dynamic	Example
2.9.0	Attraction as effect	"Everything triggers wanting this"
2.9.1	Attraction surfacing awareness	"Triggered wanting brings attention"
2.9.2	Attraction surfacing more attraction	"Triggered wanting surfaces more wanting"
2.9.3	Attraction surfacing aversion	"Triggered wanting surfaces rejection"
2.9.4	Attraction surfacing depth	"Triggered wanting surfaces resonance"
2.9.5	Attraction surfacing conditioning	"Triggered wanting surfaces my makeup"
2.9.6	Attraction surfacing structure	"Triggered wanting surfaces composition"
2.9.7	Attraction surfacing rhythm	"Triggered wanting surfaces pattern"
2.9.8	Attraction becoming trigger	"Triggered wanting now sets things off"
2.9.9	Attraction cascading	"Triggered wanting triggers more effects"

Section 3: Negative as Primary

3.0.X — Negative containing Idea containing...

Fractal	Dynamic	Example
3.0.0	Aversion to a thing	"I can't accept this"
3.0.1	Aversion to idea being witnessed	"I can't bear to see this"
3.0.2	Aversion to idea being wanted	"I can't accept wanting this"
3.0.3	Aversion to idea being rejected	"I can't accept the rejection"
3.0.4	Aversion to idea resonating	"I can't accept that this lands"
3.0.5	Aversion to idea imprinting	"I can't accept this taking hold"
3.0.6	Aversion to idea's structure	"I can't accept what it's made of"
3.0.7	Aversion to idea's timing	"I can't accept its rhythm"
3.0.8	Aversion to idea triggering	"I can't accept it pointing elsewhere"
3.0.9	Aversion to idea triggered	"I can't accept what surfaced"

3.1.X — Negative containing Mind containing...

Fractal	Dynamic	Example
3.1.0	Aversion consuming awareness	"Rejection hijacks my attention"
3.1.1	Aversion consuming recursive awareness	"I can't stop watching myself reject"
3.1.2	Aversion consuming attracted awareness	"Rejection overpowers drawn attention"
3.1.3	Aversion consuming resistant awareness	"Rejection saturates resisting attention"
3.1.4	Aversion consuming deepened awareness	"Rejection saturates heightened attention"
3.1.5	Aversion consuming conditioned awareness	"Rejection hijacks my trained seeing"
3.1.6	Aversion consuming structured awareness	"Rejection hijacks how I'm built to see"
3.1.7	Aversion consuming rhythmic awareness	"Rejection hijacks when I notice"
3.1.8	Aversion consuming triggered awareness	"Rejection hijacks what woke me"
3.1.9	Aversion consuming surfaced awareness	"Rejection hijacks the attention that came up"

3.2.X — Negative containing Positive containing...

Fractal	Dynamic	Example
3.2.0	Aversion containing attraction	"I hate that I want this"
3.2.1	Aversion with attraction consuming awareness	"I hate how wanting hijacks me"

3.2.2	Aversion with compounding attraction	"I hate that wanting breeds more wanting"
3.2.3	Aversion with attraction containing aversion	"I hate the conflicted desire"
3.2.4	Aversion with deep attraction	"I hate how deeply I want this"
3.2.5	Aversion with conditioned attraction	"I hate what I was trained to want"
3.2.6	Aversion with attraction's structure	"I hate what makes me want"
3.2.7	Aversion with attraction's rhythm	"I hate the cycle of wanting"
3.2.8	Aversion with attraction triggering	"I hate that my wanting sets things off"
3.2.9	Aversion with triggered attraction	"I hate the desire that was awakened"

3.3.X — Negative containing Negative containing...

Fractal	Dynamic	Example
3.3.0	Aversion to aversion	"I reject my rejection"
3.3.1	Aversion to aversion consuming awareness	"I reject my obsessive rejection"
3.3.2	Aversion to aversion containing attraction	"I reject my conflicted rejection"
3.3.3	Recursive aversion	"Rejection rejecting rejection"
3.3.4	Aversion to deep aversion	"I reject how deeply I reject"
3.3.5	Aversion to conditioned aversion	"I reject what I was trained to reject"
3.3.6	Aversion to aversion's structure	"I reject what makes me reject"
3.3.7	Aversion to aversion's rhythm	"I reject the cycle of rejection"
3.3.8	Aversion to aversion triggering	"I reject that my rejection sets things off"
3.3.9	Aversion to triggered aversion	"I reject the rejection that was awakened"

3.4.X — Negative containing Vibration containing...

Fractal	Dynamic	Example
3.4.0	Aversion with depth	"The rejection is sinking in"
3.4.1	Aversion with depth producing awareness	"Rejection hit so hard I woke up"
3.4.2	Aversion with depth producing attraction	"Rejection so deep it became fascinating"
3.4.3	Aversion with depth producing more aversion	"Rejection deepened into disgust"
3.4.4	Aversion with compounding depth	"Rejection getting heavier and heavier"
3.4.5	Aversion with depth shaping mind	"Rejection so deep it reformed me"
3.4.6	Aversion with depth's structure	"What makes this rejection land so hard"
3.4.7	Aversion with depth's rhythm	"Rejection hits hard on schedule"
3.4.8	Aversion with depth triggering	"Deep rejection sets things off"
3.4.9	Aversion with triggered depth	"The rejection that landed was called up"

3.5.X — Negative containing Female containing...

Fractal	Dynamic	Example
3.5.0	Aversion to one's conditioning	"I can't stand what I'm made of"
3.5.1	Aversion to conditioned awareness	"I can't stand how I was trained to see"
3.5.2	Aversion to conditioned attraction	"I can't stand what I was trained to want"
3.5.3	Aversion to conditioned aversion	"I can't stand what I was trained to reject"
3.5.4	Aversion to conditioning's depth	"I can't stand how deeply I'm formed"
3.5.5	Aversion to layered conditioning	"I can't stand formation upon formation in me"
3.5.6	Aversion to conditioning's source	"I can't stand what shaped my shaping"
3.5.7	Aversion to conditioning's rhythm	"I can't stand the pattern of my formation"
3.5.8	Aversion to conditioning triggering	"I can't stand that my makeup sets things off"
3.5.9	Aversion to triggered conditioning	"I can't stand the formation that was awakened"

3.6.X — Negative containing Male containing...

Fractal	Dynamic	Example
3.6.0	Aversion to composition	"I reject what it's made of"
3.6.1	Aversion to structure containing awareness	"I reject witness within the structure"
3.6.2	Aversion to structure containing attraction	"I reject appeal within the structure"
3.6.3	Aversion to structure containing aversion	"I reject rejection within the structure"
3.6.4	Aversion to structure's depth	"I reject how layered this is"
3.6.5	Aversion to structure shaped by conditioning	"I reject how origins shaped it"
3.6.6	Aversion to recursive structure	"I reject structure within structure"
3.6.7	Aversion to structure's rhythm	"I reject timing within composition"
3.6.8	Aversion to structure triggering	"I reject how its parts set things off"
3.6.9	Aversion to triggered structure	"I reject composition that was called forth"

3.7.X — Negative containing Rhythm containing...

Fractal	Dynamic	Example
3.7.0	Aversion with rhythm	"The rejection comes in waves"
3.7.1	Aversion with patterned awareness	"Rejection comes when I notice"
3.7.2	Aversion with patterned attraction	"Rejection cycles with wanting"
3.7.3	Aversion with patterned aversion	"Rejection breeds rejection on schedule"

3.7.4	Aversion with patterned depth	"Rejection hits hard on rhythm"
3.7.5	Aversion with patterned conditioning	"Rejection activates my makeup on schedule"
3.7.6	Aversion with patterned structure	"Rejection follows compositional timing"
3.7.7	Aversion with recursive rhythm	"Rejection in pattern within pattern"
3.7.8	Aversion with rhythm triggering	"Rejection's schedule sets things off"
3.7.9	Aversion with triggered rhythm	"Rejection's pattern was set going"

3.8.X — Negative containing Above containing...

Fractal	Dynamic	Example
3.8.0	Aversion as trigger	"My rejection sets things off"
3.8.1	Aversion triggering awareness	"My rejection wakes something"
3.8.2	Aversion triggering attraction	"My rejection produces desire"
3.8.3	Aversion triggering more aversion	"My rejection makes me reject more"
3.8.4	Aversion triggering depth	"My rejection makes things land"
3.8.5	Aversion triggering conditioning	"My rejection activates my makeup"
3.8.6	Aversion triggering structure	"My rejection calls forth composition"
3.8.7	Aversion triggering rhythm	"My rejection sets a pattern going"
3.8.8	Aversion triggering triggers	"My rejection starts the cascade"
3.8.9	Aversion triggering effect	"My rejection reaches its target"

3.9.X — Negative containing Below containing...

Fractal	Dynamic	Example
3.9.0	Aversion as effect	"Everything triggers this rejection"
3.9.1	Aversion surfacing awareness	"Triggered rejection brings attention"
3.9.2	Aversion surfacing attraction	"Triggered rejection surfaces wanting"
3.9.3	Aversion surfacing more aversion	"Triggered rejection surfaces more rejection"
3.9.4	Aversion surfacing depth	"Triggered rejection surfaces resonance"
3.9.5	Aversion surfacing conditioning	"Triggered rejection surfaces my makeup"
3.9.6	Aversion surfacing structure	"Triggered rejection surfaces composition"
3.9.7	Aversion surfacing rhythm	"Triggered rejection surfaces pattern"
3.9.8	Aversion becoming trigger	"Triggered rejection now sets things off"
3.9.9	Aversion cascading	"Triggered rejection triggers more effects"

Section 4: Vibration as Primary

4.0.X — Vibration containing Idea containing...

Fractal	Dynamic	Example
4.0.0	Depth of a thing	"How much this weighs"
4.0.1	Depth of idea being witnessed	"How much seeing this weighs"
4.0.2	Depth of idea being wanted	"How much wanting this weighs"
4.0.3	Depth of idea being rejected	"How much rejecting this weighs"
4.0.4	Depth of idea resonating	"How much the landing weighs"
4.0.5	Depth of idea imprinting	"How much the taking hold weighs"
4.0.6	Depth of idea's structure	"How much its composition weighs"
4.0.7	Depth of idea's timing	"How much its rhythm weighs"
4.0.8	Depth of idea triggering	"How much its pointing weighs"
4.0.9	Depth of idea triggered	"How much what surfaced weighs"

4.1.X — Vibration containing Mind containing...

Fractal	Dynamic	Example
4.1.0	Depth producing awareness	"It hit so hard I woke up"
4.1.1	Depth producing recursive awareness	"Impact made me watch myself"
4.1.2	Depth producing attracted awareness	"Impact drew my attention"
4.1.3	Depth producing resistant awareness	"Impact made me resist seeing"
4.1.4	Depth producing deepened awareness	"Impact heightened attention further"
4.1.5	Depth producing conditioned awareness	"Impact activated trained seeing"
4.1.6	Depth producing structured awareness	"Impact shaped how I see"
4.1.7	Depth producing rhythmic awareness	"Impact set attention's timing"
4.1.8	Depth producing triggered awareness	"Impact woke something specific"
4.1.9	Depth producing surfaced awareness	"Impact brought up buried attention"

4.2.X — Vibration containing Positive containing...

Fractal	Dynamic	Example
4.2.0	Depth of attraction	"How deeply I want this"
4.2.1	Depth of attraction consuming awareness	"How deeply wanting hijacks me"
4.2.2	Depth of compounding attraction	"How deeply wanting breeds wanting"
4.2.3	Depth of attraction containing aversion	"How deeply I want what repels me"

4.2.4	Depth of deepening attraction	"Wanting sinking deeper and deeper"
4.2.5	Depth of conditioned attraction	"How deeply trained wanting runs"
4.2.6	Depth of attraction's structure	"How deeply the wanting is built"
4.2.7	Depth of attraction's rhythm	"How deeply the wanting cycles"
4.2.8	Depth of attraction triggering	"How deeply wanting sets things off"
4.2.9	Depth of triggered attraction	"How deeply the awakened wanting runs"

4.3.X — Vibration containing Negative containing...

Fractal	Dynamic	Example
4.3.0	Depth of aversion	"How deeply I reject this"
4.3.1	Depth of aversion consuming awareness	"How deeply rejection hijacks me"
4.3.2	Depth of aversion containing attraction	"How deeply I reject what I want"
4.3.3	Depth of compounding aversion	"How deeply rejection breeds rejection"
4.3.4	Depth of deepening aversion	"Rejection sinking deeper and deeper"
4.3.5	Depth of conditioned aversion	"How deeply trained rejection runs"
4.3.6	Depth of aversion's structure	"How deeply the rejection is built"
4.3.7	Depth of aversion's rhythm	"How deeply the rejection cycles"
4.3.8	Depth of aversion triggering	"How deeply rejection sets things off"
4.3.9	Depth of triggered aversion	"How deeply the awakened rejection runs"

4.4.X — Vibration containing Vibration containing...

Fractal	Dynamic	Example
4.4.0	Depth of depth	"How much the weight weighs"
4.4.1	Depth of depth producing awareness	"Weight of the awakening"
4.4.2	Depth of depth producing attraction	"Weight of the wanting's weight"
4.4.3	Depth of depth producing aversion	"Weight of the rejection's weight"
4.4.4	Recursive depth	"Impact compounding impact"
4.4.5	Depth of depth shaping mind	"Weight of the reforming weight"
4.4.6	Depth of depth's structure	"Weight of how weight is built"
4.4.7	Depth of depth's rhythm	"Weight of when weight hits"
4.4.8	Depth of depth triggering	"Weight of weight setting things off"
4.4.9	Depth of triggered depth	"Weight of the weight that was called up"

4.5.X — Vibration containing Female containing...

Fractal	Dynamic	Example
---------	---------	---------

4.5.0	Depth of conditioning	"How deeply I'm formed"
4.5.1	Depth of conditioned awareness	"How deeply my trained seeing runs"
4.5.2	Depth of conditioned attraction	"How deeply my trained wanting runs"
4.5.3	Depth of conditioned aversion	"How deeply my trained rejection runs"
4.5.4	Depth of conditioning's depth	"How deeply my formation landed"
4.5.5	Depth of layered conditioning	"How deeply formation layered formation"
4.5.6	Depth of conditioning's source	"How deeply my shaper shaped me"
4.5.7	Depth of conditioning's rhythm	"How deeply the pattern of formation runs"
4.5.8	Depth of conditioning triggering	"How deeply my makeup sets things off"
4.5.9	Depth of triggered conditioning	"How deeply the awakened formation runs"

4.6.X — Vibration containing Male containing...

Fractal	Dynamic	Example
4.6.0	Depth of composition	"How deeply layered this is"
4.6.1	Depth of structure containing awareness	"How deeply witness is embedded"
4.6.2	Depth of structure containing attraction	"How deeply appeal is embedded"
4.6.3	Depth of structure containing aversion	"How deeply rejection is embedded"
4.6.4	Depth of structure's depth	"How deeply the layers run"
4.6.5	Depth of structure shaped by conditioning	"How deeply origins shaped it"
4.6.6	Depth of recursive structure	"How deeply structure nests in structure"
4.6.7	Depth of structure's rhythm	"How deeply timing is embedded"
4.6.8	Depth of structure triggering	"How deeply its parts set things off"
4.6.9	Depth of triggered structure	"How deeply the called-forth composition runs"

4.7.X — Vibration containing Rhythm containing...

Fractal	Dynamic	Example
4.7.0	Depth producing rhythm	"It resonated so hard I keep returning"
4.7.1	Depth producing patterned awareness	"Impact set when I notice"
4.7.2	Depth producing patterned attraction	"Impact set when I want"
4.7.3	Depth producing patterned aversion	"Impact set when I reject"
4.7.4	Depth producing patterned depth	"Impact set when things land"
4.7.5	Depth producing patterned conditioning	"Impact set when my makeup activates"
4.7.6	Depth producing patterned structure	"Impact set compositional timing"
4.7.7	Depth producing recursive rhythm	"Impact set pattern within pattern"
4.7.8	Depth producing rhythm that triggers	"Impact set a triggering pattern"
4.7.9	Depth producing triggered rhythm	"Impact set a pattern that was waiting"

4.8.X — Vibration containing Above containing...

Fractal	Dynamic	Example
4.8.0	Depth as trigger	"How hard it hit sets things off"
4.8.1	Depth triggering awareness	"Impact wakes something"
4.8.2	Depth triggering attraction	"Impact produces wanting"
4.8.3	Depth triggering aversion	"Impact produces rejection"
4.8.4	Depth triggering more depth	"Impact makes more things land"
4.8.5	Depth triggering conditioning	"Impact activates my makeup"
4.8.6	Depth triggering structure	"Impact calls forth composition"
4.8.7	Depth triggering rhythm	"Impact sets a pattern going"
4.8.8	Depth triggering triggers	"Impact starts the cascade"
4.8.9	Depth triggering effect	"Impact reaches its target"

4.9.X — Vibration containing Below containing...

Fractal	Dynamic	Example
4.9.0	Depth as effect	"The resonance that was triggered"
4.9.1	Triggered depth surfacing awareness	"Called-up impact brings attention"
4.9.2	Triggered depth surfacing attraction	"Called-up impact surfaces wanting"
4.9.3	Triggered depth surfacing aversion	"Called-up impact surfaces rejection"
4.9.4	Triggered depth surfacing more depth	"Called-up impact surfaces more weight"
4.9.5	Triggered depth surfacing conditioning	"Called-up impact surfaces my makeup"
4.9.6	Triggered depth surfacing structure	"Called-up impact surfaces composition"
4.9.7	Triggered depth surfacing rhythm	"Called-up impact surfaces pattern"
4.9.8	Triggered depth becoming trigger	"Called-up impact now sets things off"
4.9.9	Triggered depth cascading	"Called-up impact triggers more effects"

Section 5: Female as Primary

5.0.X — Female containing Idea containing...

Fractal	Dynamic	Example
5.0.0	Conditioning holding a thing	"What I carry"
5.0.1	Conditioning holding witnessed idea	"What I carry being observed"
5.0.2	Conditioning holding wanted idea	"What I carry being desired"
5.0.3	Conditioning holding rejected idea	"What I carry being refused"
5.0.4	Conditioning holding resonant idea	"What I carry that lands"
5.0.5	Conditioning holding imprinting idea	"What I carry taking deeper hold"
5.0.6	Conditioning holding structured idea	"What I carry with composition"
5.0.7	Conditioning holding rhythmic idea	"What I carry with timing"
5.0.8	Conditioning holding triggering idea	"What I carry pointing elsewhere"
5.0.9	Conditioning holding triggered idea	"What I carry that surfaced"

5.1.X — Female containing Mind containing...

Fractal	Dynamic	Example
5.1.0	Conditioning of awareness	"How my attention was shaped"
5.1.1	Conditioning of recursive awareness	"How my self-watching was shaped"
5.1.2	Conditioning of attracted awareness	"How my drawn attention was shaped"
5.1.3	Conditioning of resistant awareness	"How my resistant attention was shaped"
5.1.4	Conditioning of deepened awareness	"How my heightened attention was shaped"
5.1.5	Conditioning of conditioned awareness	"Layered shaping of seeing"
5.1.6	Conditioning of structured awareness	"How my built seeing was shaped"
5.1.7	Conditioning of rhythmic awareness	"How when I notice was shaped"
5.1.8	Conditioning of triggered awareness	"How what wakes me was shaped"
5.1.9	Conditioning of surfaced awareness	"How buried attention was shaped"

5.2.X — Female containing Positive containing...

Fractal	Dynamic	Example
5.2.0	Conditioning toward attraction	"What I was raised to want"
5.2.1	Conditioning toward attraction consuming awareness	"Trained wanting that hijacks me"
5.2.2	Conditioning toward compounding attraction	"Trained wanting that breeds wanting"

5.2.3	Conditioning toward attraction containing aversion	"Trained wanting with rejection in it"
5.2.4	Conditioning toward deep attraction	"Trained wanting that runs deep"
5.2.5	Conditioning toward conditioned attraction	"Layered trained wanting"
5.2.6	Conditioning toward attraction's structure	"How my wanting is built"
5.2.7	Conditioning toward attraction's rhythm	"When my trained wanting comes"
5.2.8	Conditioning toward attraction triggering	"Trained wanting that sets things off"
5.2.9	Conditioning toward triggered attraction	"Trained wanting that surfaces"

5.3.X — Female containing Negative containing...

Fractal	Dynamic	Example
5.3.0	Conditioning toward aversion	"What I was raised to reject"
5.3.1	Conditioning toward aversion consuming awareness	"Trained rejection that hijacks me"
5.3.2	Conditioning toward aversion containing attraction	"Trained rejection with wanting in it"
5.3.3	Conditioning toward compounding aversion	"Trained rejection that breeds rejection"
5.3.4	Conditioning toward deep aversion	"Trained rejection that runs deep"
5.3.5	Conditioning toward conditioned aversion	"Layered trained rejection"
5.3.6	Conditioning toward aversion's structure	"How my rejection is built"
5.3.7	Conditioning toward aversion's rhythm	"When my trained rejection comes"
5.3.8	Conditioning toward aversion triggering	"Trained rejection that sets things off"
5.3.9	Conditioning toward triggered aversion	"Trained rejection that surfaces"

5.4.X — Female containing Vibration containing...

Fractal	Dynamic	Example
5.4.0	Conditioning's depth	"How deeply I'm formed"
5.4.1	Conditioning's depth producing awareness	"Formation so deep it wakes me"
5.4.2	Conditioning's depth producing attraction	"Formation so deep it creates wanting"
5.4.3	Conditioning's depth producing aversion	"Formation so deep it creates rejection"
5.4.4	Conditioning's depth compounding	"Formation deepening further"
5.4.5	Conditioning's depth shaping more conditioning	"Formation so deep it shapes more formation"
5.4.6	Conditioning's depth's structure	"How my deep formation is built"
5.4.7	Conditioning's depth's rhythm	"When my deep formation activates"
5.4.8	Conditioning's depth triggering	"My deep formation sets things off"

5.4.9	Conditioning's triggered depth	"The depth of formation that was called up"
-------	--------------------------------	---

5.5.X — Female containing Female containing...

Fractal	Dynamic	Example
5.5.0	Layered conditioning	"Formation upon formation"
5.5.1	Layered conditioning of awareness	"Layered shaping of seeing"
5.5.2	Layered conditioning of attraction	"Layered shaping of wanting"
5.5.3	Layered conditioning of aversion	"Layered shaping of rejection"
5.5.4	Layered conditioning's depth	"How deep the layers go"
5.5.5	Recursive conditioning	"Formation forming formation forming formation"
5.5.6	Layered conditioning's source	"What shaped my layered shaping"
5.5.7	Layered conditioning's rhythm	"The pattern of layered formation"
5.5.8	Layered conditioning triggering	"Layered formation sets things off"
5.5.9	Layered conditioning triggered	"Layered formation that surfaced"

5.6.X — Female containing Male containing...

Fractal	Dynamic	Example
5.6.0	Conditioning by an idea's composition	"I'm shaped by what he's made of"
5.6.1	Conditioning by structure containing awareness	"I'm shaped by witness in the structure"
5.6.2	Conditioning by structure containing attraction	"I'm shaped by appeal in the structure"
5.6.3	Conditioning by structure containing aversion	"I'm shaped by rejection in the structure"
5.6.4	Conditioning by structure's depth	"I'm shaped by how layered it is"
5.6.5	Conditioning by conditioned structure	"I'm shaped by origins in the structure"
5.6.6	Conditioning by recursive structure	"I'm shaped by structure within structure"
5.6.7	Conditioning by structure's rhythm	"I'm shaped by timing in the structure"
5.6.8	Conditioning by structure triggering	"I'm shaped by what the structure sets off"
5.6.9	Conditioning by triggered structure	"I'm shaped by composition that was called forth"

5.7.X — Female containing Rhythm containing...

Fractal	Dynamic	Example
5.7.0	Conditioning's rhythm	"The pattern of my formation"
5.7.1	Conditioning's rhythm of awareness	"When my trained seeing activates"
5.7.2	Conditioning's rhythm of attraction	"When my trained wanting activates"

5.7.3	Conditioning's rhythm of aversion	"When my trained rejection activates"
5.7.4	Conditioning's rhythm of depth	"When my formation lands hardest"
5.7.5	Conditioning's rhythm of more conditioning	"When formation shapes more formation"
5.7.6	Conditioning's rhythm of structure	"When my formation's composition activates"
5.7.7	Conditioning's recursive rhythm	"Pattern of formation within pattern"
5.7.8	Conditioning's rhythm triggering	"My formation's schedule sets things off"
5.7.9	Conditioning's triggered rhythm	"My formation's pattern was set going"

5.8.X — Female containing Above containing...

Fractal	Dynamic	Example
5.8.0	Conditioning as trigger	"My makeup sets things off"
5.8.1	Conditioning triggering awareness	"My makeup wakes something"
5.8.2	Conditioning triggering attraction	"My makeup produces wanting"
5.8.3	Conditioning triggering aversion	"My makeup produces rejection"
5.8.4	Conditioning triggering depth	"My makeup makes things land"
5.8.5	Conditioning triggering more conditioning	"My makeup activates more formation"
5.8.6	Conditioning triggering structure	"My makeup calls forth composition"
5.8.7	Conditioning triggering rhythm	"My makeup sets a pattern going"
5.8.8	Conditioning triggering triggers	"My makeup starts the cascade"
5.8.9	Conditioning triggering effect	"My makeup reaches its target"

5.9.X — Female containing Below containing...

Fractal	Dynamic	Example
5.9.0	Conditioning as effect	"My makeup was triggered into being"
5.9.1	Triggered conditioning surfacing awareness	"Called-up formation brings attention"
5.9.2	Triggered conditioning surfacing attraction	"Called-up formation surfaces wanting"
5.9.3	Triggered conditioning surfacing aversion	"Called-up formation surfaces rejection"
5.9.4	Triggered conditioning surfacing depth	"Called-up formation surfaces weight"
5.9.5	Triggered conditioning surfacing more conditioning	"Called-up formation surfaces more formation"
5.9.6	Triggered conditioning surfacing structure	"Called-up formation surfaces composition"
5.9.7	Triggered conditioning surfacing rhythm	"Called-up formation surfaces pattern"
5.9.8	Triggered conditioning becoming trigger	"Called-up formation now sets things off"
5.9.9	Triggered conditioning cascading	"Called-up formation triggers more effects"

Section 6: Male as Primary

6.0.X — Male containing Idea containing...

Fractal	Dynamic	Example
6.0.0	Composition of a thing	"What this is made of"
6.0.1	Composition holding witnessed idea	"What it's made of being observed"
6.0.2	Composition holding wanted idea	"What it's made of being desired"
6.0.3	Composition holding rejected idea	"What it's made of being refused"
6.0.4	Composition holding resonant idea	"What it's made of that lands"
6.0.5	Composition holding imprinting idea	"What it's made of taking hold"
6.0.6	Composition holding structured idea	"What it's made of with structure"
6.0.7	Composition holding rhythmic idea	"What it's made of with timing"
6.0.8	Composition holding triggering idea	"What it's made of pointing elsewhere"
6.0.9	Composition holding triggered idea	"What it's made of that surfaced"

6.1.X — Male containing Mind containing...

Fractal	Dynamic	Example
6.1.0	Composition containing awareness	"An idea with witness built in"
6.1.1	Composition containing recursive awareness	"An idea with self-watching built in"
6.1.2	Composition containing attracted awareness	"An idea with drawn attention built in"
6.1.3	Composition containing resistant awareness	"An idea with resistant attention built in"
6.1.4	Composition containing deepened awareness	"An idea with heightened attention built in"
6.1.5	Composition containing conditioned awareness	"An idea with trained seeing built in"
6.1.6	Composition containing structured awareness	"An idea with built seeing built in"
6.1.7	Composition containing rhythmic awareness	"An idea with timed noticing built in"
6.1.8	Composition containing triggered awareness	"An idea with awakened attention built in"
6.1.9	Composition containing surfaced awareness	"An idea with emerged attention built in"

6.2.X — Male containing Positive containing...

Fractal	Dynamic	Example
---------	---------	---------

6.2.0	Composition containing attraction	"An idea with appeal at its core"
6.2.1	Composition with attraction consuming awareness	"Built-in wanting that hijacks"
6.2.2	Composition with compounding attraction	"Built-in wanting that breeds wanting"
6.2.3	Composition with attraction containing aversion	"Built-in wanting with rejection in it"
6.2.4	Composition with deep attraction	"Built-in wanting that runs deep"
6.2.5	Composition with conditioned attraction	"Built-in trained wanting"
6.2.6	Composition with attraction's structure	"How the built-in wanting is built"
6.2.7	Composition with attraction's rhythm	"When the built-in wanting activates"
6.2.8	Composition with attraction triggering	"Built-in wanting that sets things off"
6.2.9	Composition with triggered attraction	"Built-in wanting that surfaces"

6.3.X — Male containing Negative containing...

Fractal	Dynamic	Example
6.3.0	Composition containing aversion	"An idea with rejection at its core"
6.3.1	Composition with aversion consuming awareness	"Built-in rejection that hijacks"
6.3.2	Composition with aversion containing attraction	"Built-in rejection with wanting in it"
6.3.3	Composition with compounding aversion	"Built-in rejection that breeds rejection"
6.3.4	Composition with deep aversion	"Built-in rejection that runs deep"
6.3.5	Composition with conditioned aversion	"Built-in trained rejection"
6.3.6	Composition with aversion's structure	"How the built-in rejection is built"
6.3.7	Composition with aversion's rhythm	"When the built-in rejection activates"
6.3.8	Composition with aversion triggering	"Built-in rejection that sets things off"
6.3.9	Composition with triggered aversion	"Built-in rejection that surfaces"

6.4.X — Male containing Vibration containing...

Fractal	Dynamic	Example
6.4.0	Composition's depth	"How deeply structured this is"
6.4.1	Composition's depth producing awareness	"Structure so deep it wakes you"
6.4.2	Composition's depth producing attraction	"Structure so deep it creates wanting"
6.4.3	Composition's depth producing aversion	"Structure so deep it creates rejection"
6.4.4	Composition's depth compounding	"Structure deepening further"
6.4.5	Composition's depth shaping conditioning	"Structure so deep it shapes formation"
6.4.6	Composition's depth's structure	"How the deep structure is built"

6.4.7	Composition's depth's rhythm	"When the deep structure activates"
6.4.8	Composition's depth triggering	"Deep structure sets things off"
6.4.9	Composition's triggered depth	"The depth of structure that was called up"

6.5.X — Male containing Female containing...

Fractal	Dynamic	Example
6.5.0	Composition shaped by conditioning	"This idea reflects its origins"
6.5.1	Composition shaped by conditioned awareness	"Structure reflects trained seeing"
6.5.2	Composition shaped by conditioned attraction	"Structure reflects trained wanting"
6.5.3	Composition shaped by conditioned aversion	"Structure reflects trained rejection"
6.5.4	Composition shaped by conditioning's depth	"Structure reflects deep formation"
6.5.5	Composition shaped by layered conditioning	"Structure reflects formation upon formation"
6.5.6	Composition shaped by conditioning's source	"Structure reflects what shaped the shaping"
6.5.7	Composition shaped by conditioning's rhythm	"Structure reflects formation's timing"
6.5.8	Composition shaped by conditioning triggering	"Structure reflects formation setting things off"
6.5.9	Composition shaped by triggered conditioning	"Structure reflects awakened formation"

6.6.X — Male containing Male containing...

Fractal	Dynamic	Example
6.6.0	Recursive structure	"Structure within structure"
6.6.1	Recursive structure containing awareness	"Nested structure with witness"
6.6.2	Recursive structure containing attraction	"Nested structure with appeal"
6.6.3	Recursive structure containing aversion	"Nested structure with rejection"
6.6.4	Recursive structure's depth	"How deep the nesting goes"
6.6.5	Recursive structure with conditioning	"Nested structure shaped by origins"
6.6.6	Infinitely recursive structure	"Structure within structure within structure"
6.6.7	Recursive structure's rhythm	"Timing of nested composition"
6.6.8	Recursive structure triggering	"Nested structure sets things off"
6.6.9	Recursive structure triggered	"Nested structure that was called forth"

6.7.X — Male containing Rhythm containing...

Fractal	Dynamic	Example
6.7.0	Composition's rhythm	"The timing within the structure"
6.7.1	Composition's rhythm of awareness	"When the structure's witness activates"
6.7.2	Composition's rhythm of attraction	"When the structure's appeal activates"
6.7.3	Composition's rhythm of aversion	"When the structure's rejection activates"
6.7.4	Composition's rhythm of depth	"When the structure lands hardest"
6.7.5	Composition's rhythm of conditioning	"When the structure's origins activate"
6.7.6	Composition's rhythm of structure	"Timing of compositional layers"
6.7.7	Composition's recursive rhythm	"Pattern within pattern in structure"
6.7.8	Composition's rhythm triggering	"Structure's timing sets things off"
6.7.9	Composition's triggered rhythm	"Structure's timing was set going"

6.8.X — Male containing Above containing...

Fractal	Dynamic	Example
6.8.0	Composition as trigger	"What it's made of sets things off"
6.8.1	Composition triggering awareness	"Structure wakes something"
6.8.2	Composition triggering attraction	"Structure produces wanting"
6.8.3	Composition triggering aversion	"Structure produces rejection"
6.8.4	Composition triggering depth	"Structure makes things land"
6.8.5	Composition triggering conditioning	"Structure activates formation"
6.8.6	Composition triggering more structure	"Structure calls forth more composition"
6.8.7	Composition triggering rhythm	"Structure sets a pattern going"
6.8.8	Composition triggering triggers	"Structure starts the cascade"
6.8.9	Composition triggering effect	"Structure reaches its target"

6.9.X — Male containing Below containing...

Fractal	Dynamic	Example
6.9.0	Composition as effect	"Structure that was called forth"
6.9.1	Triggered structure surfacing awareness	"Called-forth composition brings attention"
6.9.2	Triggered structure surfacing attraction	"Called-forth composition surfaces wanting"
6.9.3	Triggered structure surfacing aversion	"Called-forth composition surfaces rejection"
6.9.4	Triggered structure surfacing depth	"Called-forth composition surfaces weight"
6.9.5	Triggered structure surfacing conditioning	"Called-forth composition surfaces formation"

6.9.6	Triggered structure surfacing more structure	"Called-forth composition surfaces more structure"
6.9.7	Triggered structure surfacing rhythm	"Called-forth composition surfaces pattern"
6.9.8	Triggered structure becoming trigger	"Called-forth composition now sets things off"
6.9.9	Triggered structure cascading	"Called-forth composition triggers more effects"

Section 7: Rhythm as Primary

7.0.X — Rhythm containing Idea containing...

Fractal	Dynamic	Example
7.0.0	Pattern of a thing	"The timing of this"
7.0.1	Pattern of witnessed idea	"When this is observed"
7.0.2	Pattern of wanted idea	"When this is desired"
7.0.3	Pattern of rejected idea	"When this is refused"
7.0.4	Pattern of resonant idea	"When this lands"
7.0.5	Pattern of imprinting idea	"When this takes hold"
7.0.6	Pattern of structured idea	"When composition activates"
7.0.7	Pattern of rhythmic idea	"Timing of timing"
7.0.8	Pattern of triggering idea	"When it points elsewhere"
7.0.9	Pattern of triggered idea	"When what surfaced appears"

7.1.X — Rhythm containing Mind containing...

Fractal	Dynamic	Example
7.1.0	Pattern of awareness	"When I notice"
7.1.1	Pattern of recursive awareness	"When I watch myself watching"
7.1.2	Pattern of attracted awareness	"When drawn attention comes"
7.1.3	Pattern of resistant awareness	"When resistant attention comes"
7.1.4	Pattern of deepened awareness	"When heightened attention comes"
7.1.5	Pattern of conditioned awareness	"When trained seeing activates"
7.1.6	Pattern of structured awareness	"When built seeing activates"
7.1.7	Pattern of rhythmic awareness	"Schedule of noticing's schedule"
7.1.8	Pattern of triggered awareness	"When awakened attention comes"
7.1.9	Pattern of surfaced awareness	"When buried attention emerges"

7.2.X — Rhythm containing Positive containing...

Fractal	Dynamic	Example
7.2.0	Pattern of attraction	"When the wanting comes"
7.2.1	Pattern of attraction consuming awareness	"When obsessive wanting hits"
7.2.2	Pattern of compounding attraction	"When wanting breeds wanting"
7.2.3	Pattern of attraction containing aversion	"When conflicted desire comes"

7.2.4	Pattern of deep attraction	"When deep wanting hits"
7.2.5	Pattern of conditioned attraction	"When trained wanting activates"
7.2.6	Pattern of attraction's structure	"When wanting's composition activates"
7.2.7	Pattern of attraction's rhythm	"Schedule of wanting's schedule"
7.2.8	Pattern of attraction triggering	"When wanting sets things off"
7.2.9	Pattern of triggered attraction	"When awakened wanting comes"

7.3.X — Rhythm containing Negative containing...

Fractal	Dynamic	Example
7.3.0	Pattern of aversion	"When the rejection comes"
7.3.1	Pattern of aversion consuming awareness	"When obsessive rejection hits"
7.3.2	Pattern of aversion containing attraction	"When conflicted rejection comes"
7.3.3	Pattern of compounding aversion	"When rejection breeds rejection"
7.3.4	Pattern of deep aversion	"When deep rejection hits"
7.3.5	Pattern of conditioned aversion	"When trained rejection activates"
7.3.6	Pattern of aversion's structure	"When rejection's composition activates"
7.3.7	Pattern of aversion's rhythm	"Schedule of rejection's schedule"
7.3.8	Pattern of aversion triggering	"When rejection sets things off"
7.3.9	Pattern of triggered aversion	"When awakened rejection comes"

7.4.X — Rhythm containing Vibration containing...

Fractal	Dynamic	Example
7.4.0	Pattern creating depth	"Repetition made it sink in"
7.4.1	Pattern creating depth that wakes	"Repetition deepened until awakening"
7.4.2	Pattern creating depth of wanting	"Repetition deepened desire"
7.4.3	Pattern creating depth of rejection	"Repetition deepened aversion"
7.4.4	Pattern creating compounding depth	"Repetition deepened the deepening"
7.4.5	Pattern creating depth of conditioning	"Repetition deepened formation"
7.4.6	Pattern creating depth of structure	"Repetition deepened composition"
7.4.7	Pattern creating depth's rhythm	"Repetition set depth's schedule"
7.4.8	Pattern creating depth that triggers	"Repetition created triggering impact"
7.4.9	Pattern creating triggered depth	"Repetition called up weight"

7.5.X — Rhythm containing Female containing...

Fractal	Dynamic	Example
7.5.0	Pattern of conditioning	"The rhythm of my formation"
7.5.1	Pattern of conditioned awareness	"Schedule of trained seeing"
7.5.2	Pattern of conditioned attraction	"Schedule of trained wanting"
7.5.3	Pattern of conditioned aversion	"Schedule of trained rejection"
7.5.4	Pattern of conditioning's depth	"Schedule of deep formation"
7.5.5	Pattern of layered conditioning	"Schedule of formation upon formation"
7.5.6	Pattern of conditioning's source	"Schedule of what shaped shaping"
7.5.7	Pattern of conditioning's rhythm	"Schedule of formation's schedule"
7.5.8	Pattern of conditioning triggering	"When formation sets things off"
7.5.9	Pattern of triggered conditioning	"When awakened formation comes"

7.6.X — Rhythm containing Male containing...

Fractal	Dynamic	Example
7.6.0	Pattern of composition	"The timing within structure"
7.6.1	Pattern of structure's awareness	"Schedule of structure's witness"
7.6.2	Pattern of structure's attraction	"Schedule of structure's appeal"
7.6.3	Pattern of structure's aversion	"Schedule of structure's rejection"
7.6.4	Pattern of structure's depth	"Schedule of structure's weight"
7.6.5	Pattern of structure's conditioning	"Schedule of structure's origins"
7.6.6	Pattern of recursive structure	"Schedule of nested composition"
7.6.7	Pattern of structure's rhythm	"Schedule of compositional timing"
7.6.8	Pattern of structure triggering	"When structure sets things off"
7.6.9	Pattern of triggered structure	"When called-forth composition comes"

7.7.X — Rhythm containing Rhythm containing...

Fractal	Dynamic	Example
7.7.0	Recursive pattern	"Pattern within pattern"
7.7.1	Recursive pattern of awareness	"Nested schedule of noticing"
7.7.2	Recursive pattern of attraction	"Nested schedule of wanting"
7.7.3	Recursive pattern of aversion	"Nested schedule of rejection"
7.7.4	Recursive pattern of depth	"Nested schedule of impact"
7.7.5	Recursive pattern of conditioning	"Nested schedule of formation"
7.7.6	Recursive pattern of structure	"Nested schedule of composition"
7.7.7	Infinitely recursive pattern	"Pattern within pattern within pattern"
7.7.8	Recursive pattern triggering	"Nested schedule sets things off"

7.7.9	Recursive pattern triggered	"Nested schedule was set going"
-------	-----------------------------	---------------------------------

7.8.X — Rhythm containing Above containing...

Fractal	Dynamic	Example
7.8.0	Pattern as trigger	"The schedule itself sets things off"
7.8.1	Pattern triggering awareness	"The schedule wakes something"
7.8.2	Pattern triggering attraction	"The schedule produces wanting"
7.8.3	Pattern triggering aversion	"The schedule produces rejection"
7.8.4	Pattern triggering depth	"The schedule makes things land"
7.8.5	Pattern triggering conditioning	"The schedule activates formation"
7.8.6	Pattern triggering structure	"The schedule calls forth composition"
7.8.7	Pattern triggering more rhythm	"The schedule sets another pattern going"
7.8.8	Pattern triggering triggers	"The schedule starts the cascade"
7.8.9	Pattern triggering effect	"The schedule reaches its target"

7.9.X — Rhythm containing Below containing...

Fractal	Dynamic	Example
7.9.0	Pattern as effect	"The rhythm that was set going"
7.9.1	Triggered pattern surfacing awareness	"Called-up rhythm brings attention"
7.9.2	Triggered pattern surfacing attraction	"Called-up rhythm surfaces wanting"
7.9.3	Triggered pattern surfacing aversion	"Called-up rhythm surfaces rejection"
7.9.4	Triggered pattern surfacing depth	"Called-up rhythm surfaces weight"
7.9.5	Triggered pattern surfacing conditioning	"Called-up rhythm surfaces formation"
7.9.6	Triggered pattern surfacing structure	"Called-up rhythm surfaces composition"
7.9.7	Triggered pattern surfacing more rhythm	"Called-up rhythm surfaces more pattern"
7.9.8	Triggered pattern becoming trigger	"Called-up rhythm now sets things off"
7.9.9	Triggered pattern cascading	"Called-up rhythm triggers more effects"

Section 8: Above as Primary

8.0.X — Above containing Idea containing...

Fractal	Dynamic	Example
8.0.0	Trigger for a thing	"What points to this"
8.0.1	Trigger for witnessed idea	"What points to this being seen"
8.0.2	Trigger for wanted idea	"What points to this being wanted"
8.0.3	Trigger for rejected idea	"What points to this being refused"
8.0.4	Trigger for resonant idea	"What points to this landing"
8.0.5	Trigger for imprinting idea	"What points to this taking hold"
8.0.6	Trigger for structured idea	"What points to this composition"
8.0.7	Trigger for rhythmic idea	"What points to this timing"
8.0.8	Trigger for triggering idea	"What points to another trigger"
8.0.9	Trigger for triggered idea	"What points to what surfaced"

8.1.X — Above containing Mind containing...

Fractal	Dynamic	Example
8.1.0	Trigger for awareness	"What woke me up"
8.1.1	Trigger for recursive awareness	"What made me watch myself"
8.1.2	Trigger for attracted awareness	"What drew my attention"
8.1.3	Trigger for resistant awareness	"What made me resist seeing"
8.1.4	Trigger for deepened awareness	"What heightened my attention"
8.1.5	Trigger for conditioned awareness	"What activated trained seeing"
8.1.6	Trigger for structured awareness	"What activated built seeing"
8.1.7	Trigger for rhythmic awareness	"What set attention's timing"
8.1.8	Trigger for triggered awareness	"What set off awakened attention"
8.1.9	Trigger for surfaced awareness	"What brought up buried attention"

8.2.X — Above containing Positive containing...

Fractal	Dynamic	Example
8.2.0	Trigger for attraction	"What made me want"
8.2.1	Trigger for attraction consuming awareness	"What made wanting hijack me"
8.2.2	Trigger for compounding attraction	"What made wanting breed wanting"
8.2.3	Trigger for attraction containing aversion	"What made me want what repels me"

8.2.4	Trigger for deep attraction	"What made wanting run deep"
8.2.5	Trigger for conditioned attraction	"What activated trained wanting"
8.2.6	Trigger for attraction's structure	"What called forth wanting's composition"
8.2.7	Trigger for attraction's rhythm	"What set wanting's schedule"
8.2.8	Trigger for attraction triggering	"What made wanting set things off"
8.2.9	Trigger for triggered attraction	"What called up the awakened wanting"

8.3.X — Above containing Negative containing...

Fractal	Dynamic	Example
8.3.0	Trigger for aversion	"What made me reject"
8.3.1	Trigger for aversion consuming awareness	"What made rejection hijack me"
8.3.2	Trigger for aversion containing attraction	"What made me reject what I want"
8.3.3	Trigger for compounding aversion	"What made rejection breed rejection"
8.3.4	Trigger for deep aversion	"What made rejection run deep"
8.3.5	Trigger for conditioned aversion	"What activated trained rejection"
8.3.6	Trigger for aversion's structure	"What called forth rejection's composition"
8.3.7	Trigger for aversion's rhythm	"What set rejection's schedule"
8.3.8	Trigger for aversion triggering	"What made rejection set things off"
8.3.9	Trigger for triggered aversion	"What called up the awakened rejection"

8.4.X — Above containing Vibration containing...

Fractal	Dynamic	Example
8.4.0	Trigger for depth	"What made it land"
8.4.1	Trigger for depth producing awareness	"What made impact wake me"
8.4.2	Trigger for depth producing attraction	"What made impact create wanting"
8.4.3	Trigger for depth producing aversion	"What made impact create rejection"
8.4.4	Trigger for compounding depth	"What made resonance compound"
8.4.5	Trigger for depth shaping conditioning	"What made impact shape formation"
8.4.6	Trigger for depth's structure	"What called forth impact's composition"
8.4.7	Trigger for depth's rhythm	"What set impact's schedule"
8.4.8	Trigger for depth triggering	"What made impact set things off"
8.4.9	Trigger for triggered depth	"What called up the awakened impact"

8.5.X — Above containing Female containing...

Fractal	Dynamic	Example
8.5.0	Trigger for conditioning	"What shaped my makeup"
8.5.1	Trigger for conditioned awareness	"What shaped my trained seeing"
8.5.2	Trigger for conditioned attraction	"What shaped my trained wanting"
8.5.3	Trigger for conditioned aversion	"What shaped my trained rejection"
8.5.4	Trigger for conditioning's depth	"What deepened my formation"
8.5.5	Trigger for layered conditioning	"What layered formation upon formation"
8.5.6	Trigger for conditioning's source	"What shaped what shaped me"
8.5.7	Trigger for conditioning's rhythm	"What set formation's schedule"
8.5.8	Trigger for conditioning triggering	"What made formation set things off"
8.5.9	Trigger for triggered conditioning	"What called up the awakened formation"

8.6.X — Above containing Male containing...

Fractal	Dynamic	Example
8.6.0	Trigger for composition	"What formed its structure"
8.6.1	Trigger for structure's awareness	"What put witness in the structure"
8.6.2	Trigger for structure's attraction	"What put appeal in the structure"
8.6.3	Trigger for structure's aversion	"What put rejection in the structure"
8.6.4	Trigger for structure's depth	"What deepened the structure"
8.6.5	Trigger for structure's conditioning	"What gave the structure its origins"
8.6.6	Trigger for recursive structure	"What nested structure in structure"
8.6.7	Trigger for structure's rhythm	"What set the structure's timing"
8.6.8	Trigger for structure triggering	"What made structure set things off"
8.6.9	Trigger for triggered structure	"What called forth the awakened structure"

8.7.X — Above containing Rhythm containing...

Fractal	Dynamic	Example
8.7.0	Trigger for rhythm	"What set the pattern going"
8.7.1	Trigger for patterned awareness	"What set attention's schedule"
8.7.2	Trigger for patterned attraction	"What set wanting's schedule"
8.7.3	Trigger for patterned aversion	"What set rejection's schedule"
8.7.4	Trigger for patterned depth	"What set impact's schedule"
8.7.5	Trigger for patterned conditioning	"What set formation's schedule"
8.7.6	Trigger for patterned structure	"What set composition's schedule"
8.7.7	Trigger for recursive rhythm	"What set pattern within pattern"
8.7.8	Trigger for rhythm triggering	"What made the schedule set things off"

8.7.9	Trigger for triggered rhythm	"What called up the awakened pattern"
-------	------------------------------	---------------------------------------

8.8.X — Above containing Above containing...

Fractal	Dynamic	Example
8.8.0	Trigger triggering trigger	"What set off what set things off"
8.8.1	Trigger triggering awareness trigger	"What set off what wakes"
8.8.2	Trigger triggering attraction trigger	"What set off what makes wanting"
8.8.3	Trigger triggering aversion trigger	"What set off what makes rejection"
8.8.4	Trigger triggering depth trigger	"What set off what makes impact"
8.8.5	Trigger triggering conditioning trigger	"What set off what shapes formation"
8.8.6	Trigger triggering structure trigger	"What set off what forms structure"
8.8.7	Trigger triggering rhythm trigger	"What set off what sets patterns"
8.8.8	Recursive cascade initiation	"Trigger triggering trigger triggering trigger"
8.8.9	Trigger triggering effect's trigger	"What set off what set off the effect"

8.9.X — Above containing Below containing...

Fractal	Dynamic	Example
8.9.0	Trigger producing effect	"This sparked that"
8.9.1	Trigger producing surfaced awareness	"This sparked awakened attention"
8.9.2	Trigger producing surfaced attraction	"This sparked awakened wanting"
8.9.3	Trigger producing surfaced aversion	"This sparked awakened rejection"
8.9.4	Trigger producing surfaced depth	"This sparked awakened impact"
8.9.5	Trigger producing surfaced conditioning	"This sparked awakened formation"
8.9.6	Trigger producing surfaced structure	"This sparked awakened composition"
8.9.7	Trigger producing surfaced rhythm	"This sparked awakened pattern"
8.9.8	Trigger producing effect becoming trigger	"This sparked what now sets things off"
8.9.9	Trigger producing cascading effects	"This sparked the chain reaction"

Section 9: Below as Primary

9.0.X — Below containing Idea containing...

Fractal	Dynamic	Example
9.0.0	Effect as idea	"What emerged"
9.0.1	Effect as witnessed idea	"What emerged being seen"
9.0.2	Effect as wanted idea	"What emerged being desired"
9.0.3	Effect as rejected idea	"What emerged being refused"
9.0.4	Effect as resonant idea	"What emerged that lands"
9.0.5	Effect as imprinting idea	"What emerged taking hold"
9.0.6	Effect as structured idea	"What emerged with composition"
9.0.7	Effect as rhythmic idea	"What emerged with timing"
9.0.8	Effect as triggering idea	"What emerged pointing elsewhere"
9.0.9	Effect as triggered idea	"What emerged from what emerged"

9.1.X — Below containing Mind containing...

Fractal	Dynamic	Example
9.1.0	Effect as awareness	"Attention that was triggered"
9.1.1	Effect as recursive awareness	"Self-watching that was triggered"
9.1.2	Effect as attracted awareness	"Drawn attention that was triggered"
9.1.3	Effect as resistant awareness	"Resistant attention that was triggered"
9.1.4	Effect as deepened awareness	"Heightened attention that was triggered"
9.1.5	Effect as conditioned awareness	"Trained seeing that was triggered"
9.1.6	Effect as structured awareness	"Built seeing that was triggered"
9.1.7	Effect as rhythmic awareness	"Timed noticing that was triggered"
9.1.8	Effect as awareness that triggers	"Awakened attention that sets things off"
9.1.9	Effect as surfaced awareness	"Emerged attention that emerged"

9.2.X — Below containing Positive containing...

Fractal	Dynamic	Example
9.2.0	Effect as attraction	"Desire that was triggered"
9.2.1	Effect as attraction consuming awareness	"Obsessive wanting that was triggered"
9.2.2	Effect as compounding attraction	"Wanting breeding wanting that was triggered"
9.2.3	Effect as attraction containing aversion	"Conflicted desire that was triggered"

9.2.4	Effect as deep attraction	"Deep wanting that was triggered"
9.2.5	Effect as conditioned attraction	"Trained wanting that was triggered"
9.2.6	Effect as attraction's structure	"Wanting's composition that was triggered"
9.2.7	Effect as attraction's rhythm	"Wanting's schedule that was triggered"
9.2.8	Effect as attraction that triggers	"Awakened wanting that sets things off"
9.2.9	Effect as surfaced attraction	"Emerged wanting that emerged"

9.3.X — Below containing Negative containing...

Fractal	Dynamic	Example
9.3.0	Effect as aversion	"Rejection that was triggered"
9.3.1	Effect as aversion consuming awareness	"Obsessive rejection that was triggered"
9.3.2	Effect as aversion containing attraction	"Conflicted rejection that was triggered"
9.3.3	Effect as compounding aversion	"Rejection breeding rejection that was triggered"
9.3.4	Effect as deep aversion	"Deep rejection that was triggered"
9.3.5	Effect as conditioned aversion	"Trained rejection that was triggered"
9.3.6	Effect as aversion's structure	"Rejection's composition that was triggered"
9.3.7	Effect as aversion's rhythm	"Rejection's schedule that was triggered"
9.3.8	Effect as aversion that triggers	"Awakened rejection that sets things off"
9.3.9	Effect as surfaced aversion	"Emerged rejection that emerged"

9.4.X — Below containing Vibration containing...

Fractal	Dynamic	Example
9.4.0	Effect as depth	"Resonance that was triggered"
9.4.1	Effect as depth producing awareness	"Impact that wakes that was triggered"
9.4.2	Effect as depth producing attraction	"Impact that creates wanting that was triggered"
9.4.3	Effect as depth producing aversion	"Impact that creates rejection that was triggered"
9.4.4	Effect as compounding depth	"Deepening resonance that was triggered"
9.4.5	Effect as depth shaping conditioning	"Impact that shapes formation that was triggered"
9.4.6	Effect as depth's structure	"Impact's composition that was triggered"
9.4.7	Effect as depth's rhythm	"Impact's schedule that was triggered"
9.4.8	Effect as depth that triggers	"Awakened impact that sets things off"
9.4.9	Effect as surfaced depth	"Emerged impact that emerged"

9.5.X — Below containing Female containing...

Fractal	Dynamic	Example
---------	---------	---------

9.5.0	Effect as conditioning	"Formation that was triggered"
9.5.1	Effect as conditioned awareness	"Trained seeing that was triggered"
9.5.2	Effect as conditioned attraction	"Trained wanting that was triggered"
9.5.3	Effect as conditioned aversion	"Trained rejection that was triggered"
9.5.4	Effect as conditioning's depth	"Deep formation that was triggered"
9.5.5	Effect as layered conditioning	"Formation upon formation that was triggered"
9.5.6	Effect as conditioning's source	"What shaped shaping that was triggered"
9.5.7	Effect as conditioning's rhythm	"Formation's schedule that was triggered"
9.5.8	Effect as conditioning that triggers	"Awakened formation that sets things off"
9.5.9	Effect as surfaced conditioning	"Emerged formation that emerged"

9.6.X — Below containing Male containing...

Fractal	Dynamic	Example
9.6.0	Effect as composition	"Structure that was triggered"
9.6.1	Effect as structure's awareness	"Witness in structure that was triggered"
9.6.2	Effect as structure's attraction	"Appeal in structure that was triggered"
9.6.3	Effect as structure's aversion	"Rejection in structure that was triggered"
9.6.4	Effect as structure's depth	"Deep structure that was triggered"
9.6.5	Effect as structure's conditioning	"Origin-shaped structure that was triggered"
9.6.6	Effect as recursive structure	"Nested structure that was triggered"
9.6.7	Effect as structure's rhythm	"Structure's timing that was triggered"
9.6.8	Effect as structure that triggers	"Awakened structure that sets things off"
9.6.9	Effect as surfaced structure	"Emerged structure that emerged"

9.7.X — Below containing Rhythm containing...

Fractal	Dynamic	Example
9.7.0	Effect as rhythm	"Pattern that was triggered"
9.7.1	Effect as patterned awareness	"Scheduled noticing that was triggered"
9.7.2	Effect as patterned attraction	"Scheduled wanting that was triggered"
9.7.3	Effect as patterned aversion	"Scheduled rejection that was triggered"
9.7.4	Effect as patterned depth	"Scheduled impact that was triggered"
9.7.5	Effect as patterned conditioning	"Scheduled formation that was triggered"
9.7.6	Effect as patterned structure	"Scheduled composition that was triggered"
9.7.7	Effect as recursive rhythm	"Pattern within pattern that was triggered"
9.7.8	Effect as rhythm that triggers	"Awakened pattern that sets things off"
9.7.9	Effect as surfaced rhythm	"Emerged pattern that emerged"

9.8.X — Below containing Above containing...

Fractal	Dynamic	Example
9.8.0	Effect becoming trigger	"What surfaced now sets things off"
9.8.1	Effect triggering awareness	"What surfaced wakes something"
9.8.2	Effect triggering attraction	"What surfaced produces wanting"
9.8.3	Effect triggering aversion	"What surfaced produces rejection"
9.8.4	Effect triggering depth	"What surfaced makes things land"
9.8.5	Effect triggering conditioning	"What surfaced activates formation"
9.8.6	Effect triggering structure	"What surfaced calls forth composition"
9.8.7	Effect triggering rhythm	"What surfaced sets a pattern going"
9.8.8	Effect triggering triggers	"What surfaced starts the cascade"
9.8.9	Effect triggering effect	"What surfaced reaches a new target"

Fractal	Dynamic	Example
9.9.0	Cascading effect	"Effect triggering effect"
9.9.1	Cascading into awareness	"Chain reaction surfacing attention"
9.9.2	Cascading into attraction	"Chain reaction surfacing wanting"
9.9.3	Cascading into aversion	"Chain reaction surfacing rejection"
9.9.4	Cascading into depth	"Chain reaction surfacing impact"
9.9.5	Cascading into conditioning	"Chain reaction surfacing formation"
9.9.6	Cascading into structure	"Chain reaction surfacing composition"
9.9.7	Cascading into rhythm	"Chain reaction surfacing pattern"
9.9.8	Cascading becoming trigger	"Chain reaction becoming new cascade"
9.9.9	Infinite cascade	"Effect upon effect upon effect"
